

The Principal

Dear Madam/Sir,

Greetings from Welham Boys' School!

It is my pleasure to invite you to the tenth edition of Welham Boys' School Model United Nations Conference (WELMUN) to be held at Welham Boys' School, Dehradun from Thursday, August 8 to Saturday, August 10, 2024.

Model United Nations is an educational simulation in which the students learn about diplomacy, international relations, and the United Nations. Welham Boys' School is an active member of the school MUN circuit in India and abroad. Over the past few years, the school has participated in several prestigious MUNs.

This year, the theme for the WELMUN conference is '*Concordia Discordiae*', which translates to 'A Harmony of Discord'. The world thrives on diversity, yet progress demands unity. This year the conference's theme '*Concordia Discordiae*'- reflects this paradox. We invite you to embrace diverse perspectives, navigate respectful disagreements, and forge innovative solutions through the power of collective intelligence. Let our differences be the wellspring of a stronger, more vibrant global community.
