

The Principal

Dear Madam/Sir,

Greetings from Welham Boys' School!

It is my pleasure to invite you to the ninth edition of Welham Boys' School Model United Nations Conference (WELMUN) to be held at Welham Boys' School, Dehradun from Thursday, August 3 to Saturday, August 5, 2023.

Model United Nations is an educational simulation in which the students learn about diplomacy, international relations, and the United Nations. Welham Boys' School is an active member of the school MUN circuit in India and abroad. Over the past few years, the School has participated in several prestigious MUNs.

This year, the theme for the WELMUN conference is 'Transcending Conflict to Transforming Conundrum'. Since time immemorial, we Homo Sapiens have been engaging in conflict in the name of peace. This year's theme is centered around the idea to move beyond conflicts and transform this chain of misunderstanding which has developed because of our differences. In the present civil society, we should usher in an era of egalitarianism and economic sustainability with a collective effort of the global community.

Amidst this chaos, adaptability is an important key to survival. We at WELMUN'23 will not deliberate on superficial solutions to global issues, rather get to the ground reality and come up with counter measures for crimes against peace and humanity which jeopardize the very existence of the human civilization. We shall try to overcome racial and gender differences to come together as a global fraternity. In this time of the darkest night, we call upon our brightest knights to break into a new dawn of peace and prosperity.

The following committees shall be simulated at WELMUN'23:

1. United Nations Historic Security Council (UNHSC) - Double Delegation
2. Lok Sabha
3. United Nations Human Rights Council (UNHRC)
4. United Nations General Assembly (SPECPOL)
5. United Nations General Assembly (DISEC) - Double Delegation
6. United Nations Women (UNW)
7. International Press Corps (IPC)

You are requested to register a delegation of 7 - 10 delegates, one for each committee, for WELMUN'23 from classes 8 to 12 (age group 13- 18 years) along with the teacher escort. Allocation of committee and country is at the discretion of the Secretariat and the Chair.

The school registration fee for WELMUN'23 is ₹10000. The registration fee for each WELMUN'23 delegate is ₹ 9000 for outstation schools and ₹8300 for local schools. The registration charges are not applicable for the Faculty Advisor. **The last day to deposit the fee is 5th June 2023.**
